Are you missing a Link in your supply chain?

Logistics

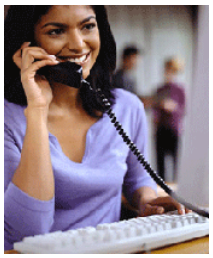
At Link Staffing Services, we've been providing qualified workers to logistics companies for 30 years. We know the kind of people you need and how having the right personnel can make all the difference.

Link has the workforce to help keep your operation running efficient and on time. We can supply:

- Schedulers
- Drivers
- Shipping / Receiving
- Material Handlers
- Call Center Operators
- Dispatchers
- Warehouse Workers
- Forklift Operators
- Purchasers
- Laborers

Customizable solutions that can be dispatched at a moment's notice.

In logistics, "urgent" is normal so all of our productivity solutions can be customized to adapt to your unique operational needs. Link's services include a secure client WebCenter, comprehensive risk management program, safety performance tracking and training, accident investigation, forklift training and certifications, and flexible invoicing options.



Our staffing and productivity solutions include short or long-term temporary, temp-to-hire, and full-time. And the best part is, Link's employees are **there when you need them and gone when you don't!**

Tired of Downsizing and Upsizing? Try Link-sizing!

With Linksizing, you can match your workforce to your work load regardless of peaks and valleys. Employers that can adjust labor requirements to meet changing demands have a competitive edge over those who cannot adapt. Plus, the use of Link field staff on a planned, systematic basis can a dramatic effect on both productivity and profits.

People.
Productivity.
Flexibility.
