*Irving Link location celebrates achievement*

**Irving, TX, January 15, 2007** -- Link Staffing Services - Irving is celebrating a major milestone, thanks to the hard work and dedication of its staff.

Link Staffing Services - Irving has recently accomplished the goal of joining the Link Staffing Million Dollar Club.

This is a big accomplishment for us. We are thrilled to share the good news with the community, said Darin Furbush, Area Manager of Irvings Link Staffing Services office.

Link Staffing provides valued services for its clients such as long and short term assignments, temporary to full time, payrolling, on site management, customized new employee orientations for the work site and a comprehensive screening process. Link also offers risk management services that include client site evaluations, employee safety programs, and pre-employment, post accident and random drug screening.

The Link Staffing office in Irving, Texas has reached the milestone of over \$1 Million in profit. With this goal in their sites since early July, the Irving team handled each piece of business with care and diligence and achieved a great success as a result.

The milestone is not only a cause for celebration for the office and the entire company, but it also serves as a great example for Link clients, Furbush added.

We at Link Staffing Services believe this milestone proves that no matter what the goal is, anything can be accomplished by constantly striving for continual improvement, Furbush said.
