Renton, WA (Link Staffing Services) August 10, 2009 -- Link Staffing Services, a national provider of staffing and productivity solutions, has just opened its newest location in Renton, Washington. This franchise location is independently owned and operated by Annette and Brian Bailey of Seattle. Annette recently left her HR executive position to open a Link Staffing franchise and remains very optimistic despite the recession.

"I am confident that companies will need to hire temporary staff as the economy recovers, and our office will be poised to provide qualified workers to businesses that are ready to build their inventories and bring on staff."

Link Staffing provides valued services for its clients such as long and short term assignments, temporary to full time employment, payroll functions, on-site management, customized new employee orientations for the work site and a comprehensive screening process. Link also offers risk management services like client site evaluations, employee safety programs, and pre-employment, post accident and random drug screening.

"We are pleased to have the Baileys join our team," said Ike Steele, President of Link Staffing Services. "We are sure their skills and knowledge will be invaluable and prove to be a great asset to the Link Franchise network."

The Renton office will serve clients throughout King County.

"We look forward to partnering with local companies throughout King County to fill their needs for skilled crafts and trades, light industrial, clerical, and general labor employees. Our goal is to provide high quality employees that our clients need for the productivity of their business." Bailey added.
